Letter of Recommendation

Dear Sir, / Madam,

We, Sumitomo Corporation, highly recommend Mordor Intelligence to every other companies.

We asked them to research Ag equipment market all over the world, and their whole arrangement was helpful for us. Their insightful analysis and reports contribute to our current analysis and creating future strategy. Besides, they flexibly customized the contents based on our request, so that point was also great for us.

We strongly believe their service would lead clients to the clients' ultimate goal shortly, so everyone should contact them at first.

Sincerely yours,

Sumitomo Corporation
